Ignite the Stars (Ignite the Stars, #1) by Maura Milan Ignite the Stars is a fast-paced sci-fi adventure with strong female characters. If you can suspend disbelief to get past the idea that a 17-year-old girl has been the most wanted criminal/rebel in the universe for several years, then this book is a fun ride, with a side of social commentary on immigrants and refugees. Amazon.com: Ignite the Stars (9780807536254): Maura Milan ... When I started Ignite the Stars I thought the book was part of a series and I had missed the previous book or books. Turns out I was wrong. This is the first book in a new series.
