Palaces for the People by Eric Klinenberg ... [Read](#) Palaces for the People is an amazing experience. As an architect, I know very well the importance of building civic places: concert halls, libraries, museums, universities, public parks, all places open and accessible, where people can get together and share experiences. Palaces for the People: How Social Infrastructure Can Help ... In Palaces for the People, Eric Klinenberg suggests a way forward. He believes that the future of democratic societies rests not simply on shared values but on shared spaces: the libraries, childcare centers, bookstores, churches, synagogues, and parks where crucial, sometimes life-saving connections, are formed. Palaces for the People: How to Build a More Equal and ... In Palaces for the People Klinenberg takes these lines of inquiry further. He stresses the importance, where Jacobs didnâ€™t, of publicly funded facilities. He stresses the importance, where.
