Eating breakfast at 9:00 am? | Yahoo Answers Ok so I wake up at 9am and eat breakfast. Is this a good time to eat breakfast? After breakfast I go for a walk for about an hour. Then around 1pm I eat lunch, sometimes I'll exercise in my room after lunch, then I eat dinner at 5pm and around 6:30pm I'll have a snack. Is this good? Because I've been doing this for about 20 days and haven't lost a pound.
